

Diamond and Diamond Lawyers have served clients across Canada for 40 years practicing in Personal Injury Law. Be a part of our dynamic team to help ensure each client receives the attention and receives the compensation they deserve!

We currently have a full-time opening for a Legal to support our Personal Injury, Class Action and Civil Litigation Team. Our proven success helping victims through Animal & Dog Bites, Birth Injuries, Brain Injuries, Car Accidents, Catastrophic Accidents, Long-Term Disability, Slip and Falls, Soft Tissue Injuries, Spinal Cord Injuries, Work-Related Injuries, Wrongful Death and other insurance claims, have helped us gain our reputation. We are committed to customer service and personalized attention to ensure each client receives the attention and receives the compensation they deserve.

Responsibilities and Duties:

- Lead and manage complex class action litigation, including case development, motion practice, discovery, depositions, settlement negotiations, and trial preparation
- Analyze legal and factual issues, identify case strategy, and assess class certification potential
- Draft and argue motions including motions to dismiss, motions for class certification, summary judgment motions, and settlement approval documents
- Conduct depositions and manage fact and expert discovery
- Represent clients in court hearings, mediations, and settlement conferences
- Collaborate with co-counsel, experts, and litigation support teams
- Provide strategic advice and risk assessment to clients regarding class action exposure
- Stay abreast of developments in class action jurisprudence and applicable regulations

Requirements:

- Called to the Bar and licensed to practice in Ontario
- 3-5 years of litigation experience, with substantial experience in class action cases
- Proven success in motion practice, certification proceedings, and settlement negotiations
- Strong written and oral advocacy skills
- Experience in managing complex discovery and working with experts
- Very strong knowledge of Rules of Civil Procedures
- Comply with all firm policies and procedures
- Experienced in handling files from beginning to end
- Experienced in settling claims
- Superior communication skills, both verbal and written
- Ability to work well under pressure in a fast-paced environment while maintaining superb organizational skills

- Confident and dependable, with strong initiative and ability to work both independently and in a team-oriented atmosphere.
- Exude a positive attitude
- Willing to learn new material
